

Student-Parent Handbook Agreement 2011-12

Dear Parents and Students,

Registering at Central Catholic High School establishes an agreement among the student, his parents and the school with responsibilities and rights on every side.

1. The school agrees to offer a Roman Catholic Marianist education, college preparatory curriculum and access to its personnel and facilities according to the policies described in the Student-Parent Handbook and elsewhere.
2. The parents agree to support these policies, to encourage their son's efforts by frequent communication and take a visible part in the school's activities, including meetings and fund-raisers.
3. The student agrees to take his education seriously, to organize and study his courses effectively and to cooperate with the personnel, policies and Marianist purposes of the school.

The Student-Parent Handbook describes the kind of school you are expressing your eagerness to be involved with. For that reason, Central Catholic considers it very important that both parents and students read and discuss the contents of the Handbook to be certain that you understand all policies and agree to follow them.

By signing and submitting this page, the student and parents (or guardians) assert the following:

We have read the Student-Parent Handbook and understand its contents. I hereby agree to support and abide by the philosophy, policies, rules and procedures contained herein. We also agree to allow Central Catholic High School to seek emergency medical treatment for our child in the event that we cannot be reached. He may be taken to the nearest medical facility if his private doctor is not easily available. In case of an emergency, we accept responsibility for all costs incurred in seeking this treatment. We agree to the use of pictures taken of members of our family, if any, in the school's publications, website and brochures.
